

Community Legislative Brief Template

Drafting Policy Proposals for Lawmakers

I. Problem Statement & Background

State the issue clearly: What is the systemic failure? Provide local Virginia statistics and affected neighborhood boundaries.

II. Affected Population & Data

Cite census tracts, health statistics, and qualitative community survey results directly from the ground.

III. The Policy Proposal (The Ask)

Outline the specific ordinance or amendment text. Ensure definitions are concrete and binding.

IV. Community Testimony Section

Provide transcribed testimonies and direct statements from impacted community members.
