

Power Mapping Worksheet

Mapping Influence & Relationship Grid

I. Campaign Target Analysis

Identify the primary target who has the authority to yield to your demands (e.g. City Council Member, Landlord, Mayor).

II. Influence Mapping Table

Map key stakeholders on their influence level (1-5) and their support level (-5 to +5).

III. Relationship Scoring Grid

1. Primary Target: score influence level. 2. Key Influencer A: score connection to target. 3. Key Influencer B: score alignment to movement.

IV. Shift Strategy Columns

Outline tactics to move neutral influencers into allies, and how to neutralize opponents.
