

Campaign Strategy Chart

Midwest Academy Campaign Planning Tool

I. Long-Term and Short-Term Goals

Define what winning looks like. A short-term goal must lead directly into building power for the long-term goal.

II. Organizational Considerations

List your current assets: staff, volunteers, budget, contacts. Identify potential weaknesses.

III. Constituents, Allies, and Opponents

Constituents: Who is directly affected? Allies: Who will help you win? Opponents: Who stands in your way?

IV. Tactics & Timeline

List tactics in order of escalation: petition, town hall, press conference, picket, direct action.
