

Power Mapping Worksheet

Map who holds power, who can be moved, and how to win your campaign.

1. Campaign Goal

State your specific, measurable goal in one sentence.

Goal: _____

Deadline: _____

Decision-Maker: _____

2. Stakeholder Map

Rate power (1–5) and support for your goal (–2=oppose, 0=neutral, +2=support).

Stakeholder/Org	Power (1-5)	Support (-2 to +2)	Relationship to Us	Shift Strategy

3. Ally Analysis

Who are your strongest allies and what do they bring?

Ally Name/Org	What They Bring	Our Ask	Point of Contact

4. Opposition Analysis

Who opposes your goal?

Opponent	Their Leverage	Vulnerability	Counter-Strategy

5. Constituency Base

Who is directly affected and how do you reach them?

Affected Group	Size/Reach	How to Engage	Current Relationship

6. Shift Strategy

What moves can shift neutral stakeholders toward support?

Neutral Stakeholder	What Matters to Them	Proposed Move	Timeline

TIP: Focus energy on movable stakeholders — neutral or soft opponents. Hard opponents rarely shift.

NOTE: This is confidential organizing material. Do not share with opposition.
