

Environmental Justice Campaign Starter Kit

Challenging Polluters & Title VI Permits

I. EPA Complaint Filing

How to file a Title VI complaint under the Civil Rights Act proving disparate impact in permitting facility placement.

II. Environmental Data Sources

Guide to mapping emissions with the EPA's Enforcement and Compliance History Online (ECHO) database.

III. Coalition Building with Health Orgs

Partner with pediatricians and public health advocates to link chemical outfall maps directly to local asthma rate spikes.

IV. Legal Intervention Points

Steps to challenge state environmental permitting boards during public comment hearings.
