Movement Pressure Campaign Strategy

I. Rungs of the Escalation Ladder

Structure your pressure campaign starting with low-risk actions and rising to direct action. Only move up when the target refuses to yield.

II. Rung 1: Narrative & Education

Petitions, informational leafleting, open letters, public teach-ins.

III. Rung 2: Public Exposure

Press conferences, rallies, town halls, packaging citizen reports to target.

IV. Rung 3: Direct Action & Disruption

Pickets, strikes, boycotts, peaceful sit-ins, and non-violent civil disobedience.
